1. As an Iphone buyer, I want a list of buying options at the top of the page so that I can easily access the product I am looking for. **(Apple product Bar and list as a header)**
2. As an Iphone buyer, I want to see my product while navigating options for my Iphone so I know what my product looks like before I choose to buy it. **(Visual located next to product options such as color)**
3. As an Apple shopper, I want to see more graphics than words so that I can more fully understand the applications of Apple devices being sold. **(Grandiose Graphics/minimal written text)**
4. As an Iphone user, I want to see Iphone accessories so I can customize the products I buy, to my liking and so I can find any additional items that would be useful to me. **(accessories)**
5. As an apple shopper, I need a clear background and a clean webpage so that I can easily navigate the website without confusion. **(White background, Simple webpage)**
